

VOLUNTEER OVERVIEW

WHO WE ARE

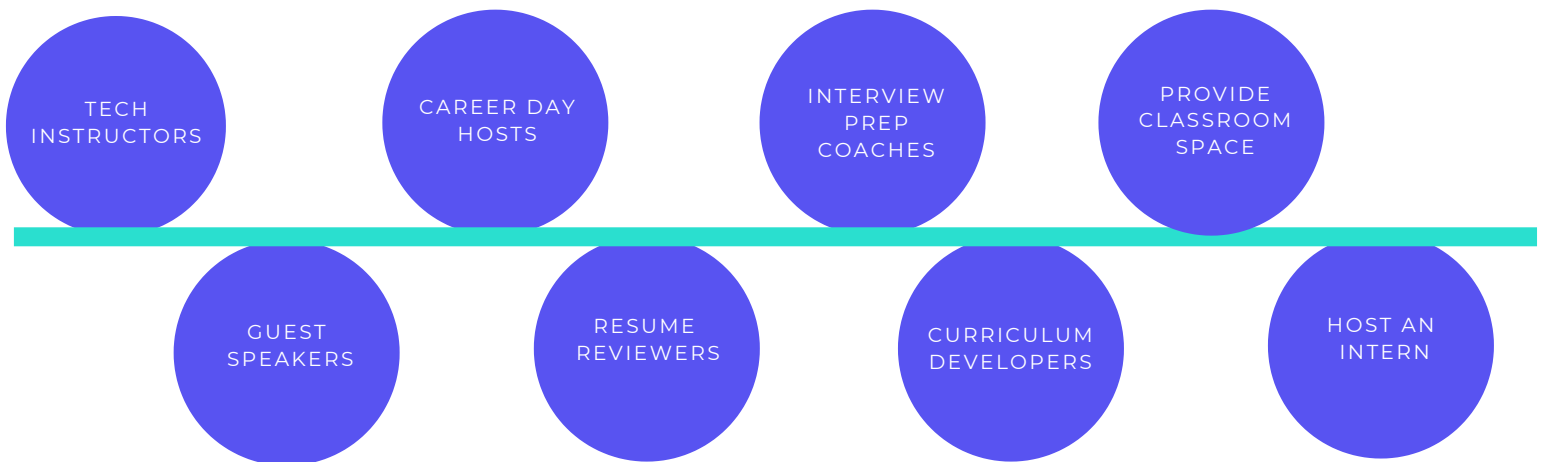

America On Tech (AOT) is an award-winning nonprofit organization on a mission to prepare the next generation of technology leaders by creating pathways into degrees and careers in technology. Our work has received national media attention in Forbes, CNN, TechCrunch and other publications for its resounding success in developing diverse tech talent pipelines.

OUR PROGRAMS

AOT runs technology courses for high school and college students that focus on building their skills in areas such as web development, mobile development, UX design, data science, cyber security and digital marketing. Students in our programs are also paired with mentors in the tech industry, receive professional development and gain access to paid internships after graduating from our courses.

VOLUNTEER OPPORTUNITIES

America On Tech (AOT) is currently recruiting volunteers in New York City and Los Angeles. Volunteering opportunities depend on the time of year and the region we're operating in. The diagram below outlines the types of volunteering opportunities we offer to our extended community of supporters.
