

TECH360 2025

INTRO TO AI

For High School Students in NYC, Los Angeles, Miami, and Atlanta!

ABOUT THE PROGRAM:

TECH360 is an intensive, 3-week program where you will learn the fundamentals of Artificial Intelligence (AI) through project-based, hands-on learning. No prior technology experience required!

ELIGIBILITY CRITERIA:

-  You will be a junior or senior during the 2025-2026 school year (15-19 years old) and attend a public high school that meets our Economic Needs Index in NYC, LA, Miami, or Atlanta.
-  You are available for all program dates in the cycle you are applying for.
-  You are interested in learning about AI and how you can help shape it's future!

YOU'LL GAIN:

Technical Skills

Network of Support

\$500 Stipend

Professional Skills

WHAT'S AI?

Artificial Intelligence (AI) is a branch of computer science that enables computers to learn, reason, and make decisions much like humans do. It powers innovations like voice assistants, smart apps, and self-driving cars, transforming our everyday lives!
