

TECH360 FALL BOOTCAMP

FOR HIGH SCHOOL STUDENTS IN MIAMI-DADE OR BROWARD COUNTY

ABOUT THE PROGRAM

The TECH360 Bootcamp is an intensive, 10-week program where you will learn how to code through web design and web development. The program will teach industry-aligned technical and professional skills and help you gain knowledge of key coding languages and frameworks including HTML, CSS, and Bootstrap. This program runs between September 2022 and December 2022. No prior coding experience required!

Upon completion of TECH360 you will receive a \$500 stipend AND priority eligibility into AOT's Tech Flex Leaders program!
